Premium IT Talent Staffing & Solutions

Serving Omaha and Beyond Since 1999

We are **CRI**.

Our team offers over 100 years of collective experience in IT staffing.

We've been part of the IT community for 24 years.

CRi is a privately-held Nebraska Corporation founded in 1999 by CEO Sue Thaden.

We're in IT with you, literally.

Flexible Hiring Model

We offer models to help you build your team, including short-term contract, long-term contract, contract-to-hire, and direct-hire.

Project Team Staffing

We bring IT experts to your project with the right skillsets, soft skills and professional experience, allowing you to build your team in the most efficient way.

Business Transition Staffing

We stay with you for the duration of the project as your business transitions through major events like mergers and acquisitions.

Our clients tell us we're different. Here's why.

- We actively employ 100+ IT consultants, on average.
- We offer contract, contract-to-hire and direct-hire placements.
- We have over 20 years experience in project and team staffing solutions.
- We offer our own 6-step candidate experience screening.
- We have a full time consultant experience manager.
- We have a 20,000+ and growing candidate pool.
- We manage the entire hiring and onboarding process.

We employ passionate, driven individuals.

Our Key Values

CLIENT EXPERIENCE

6 Step Process

We pride ourselves on being easy to do business with as we support our clients in building teams that deliver outstanding work.

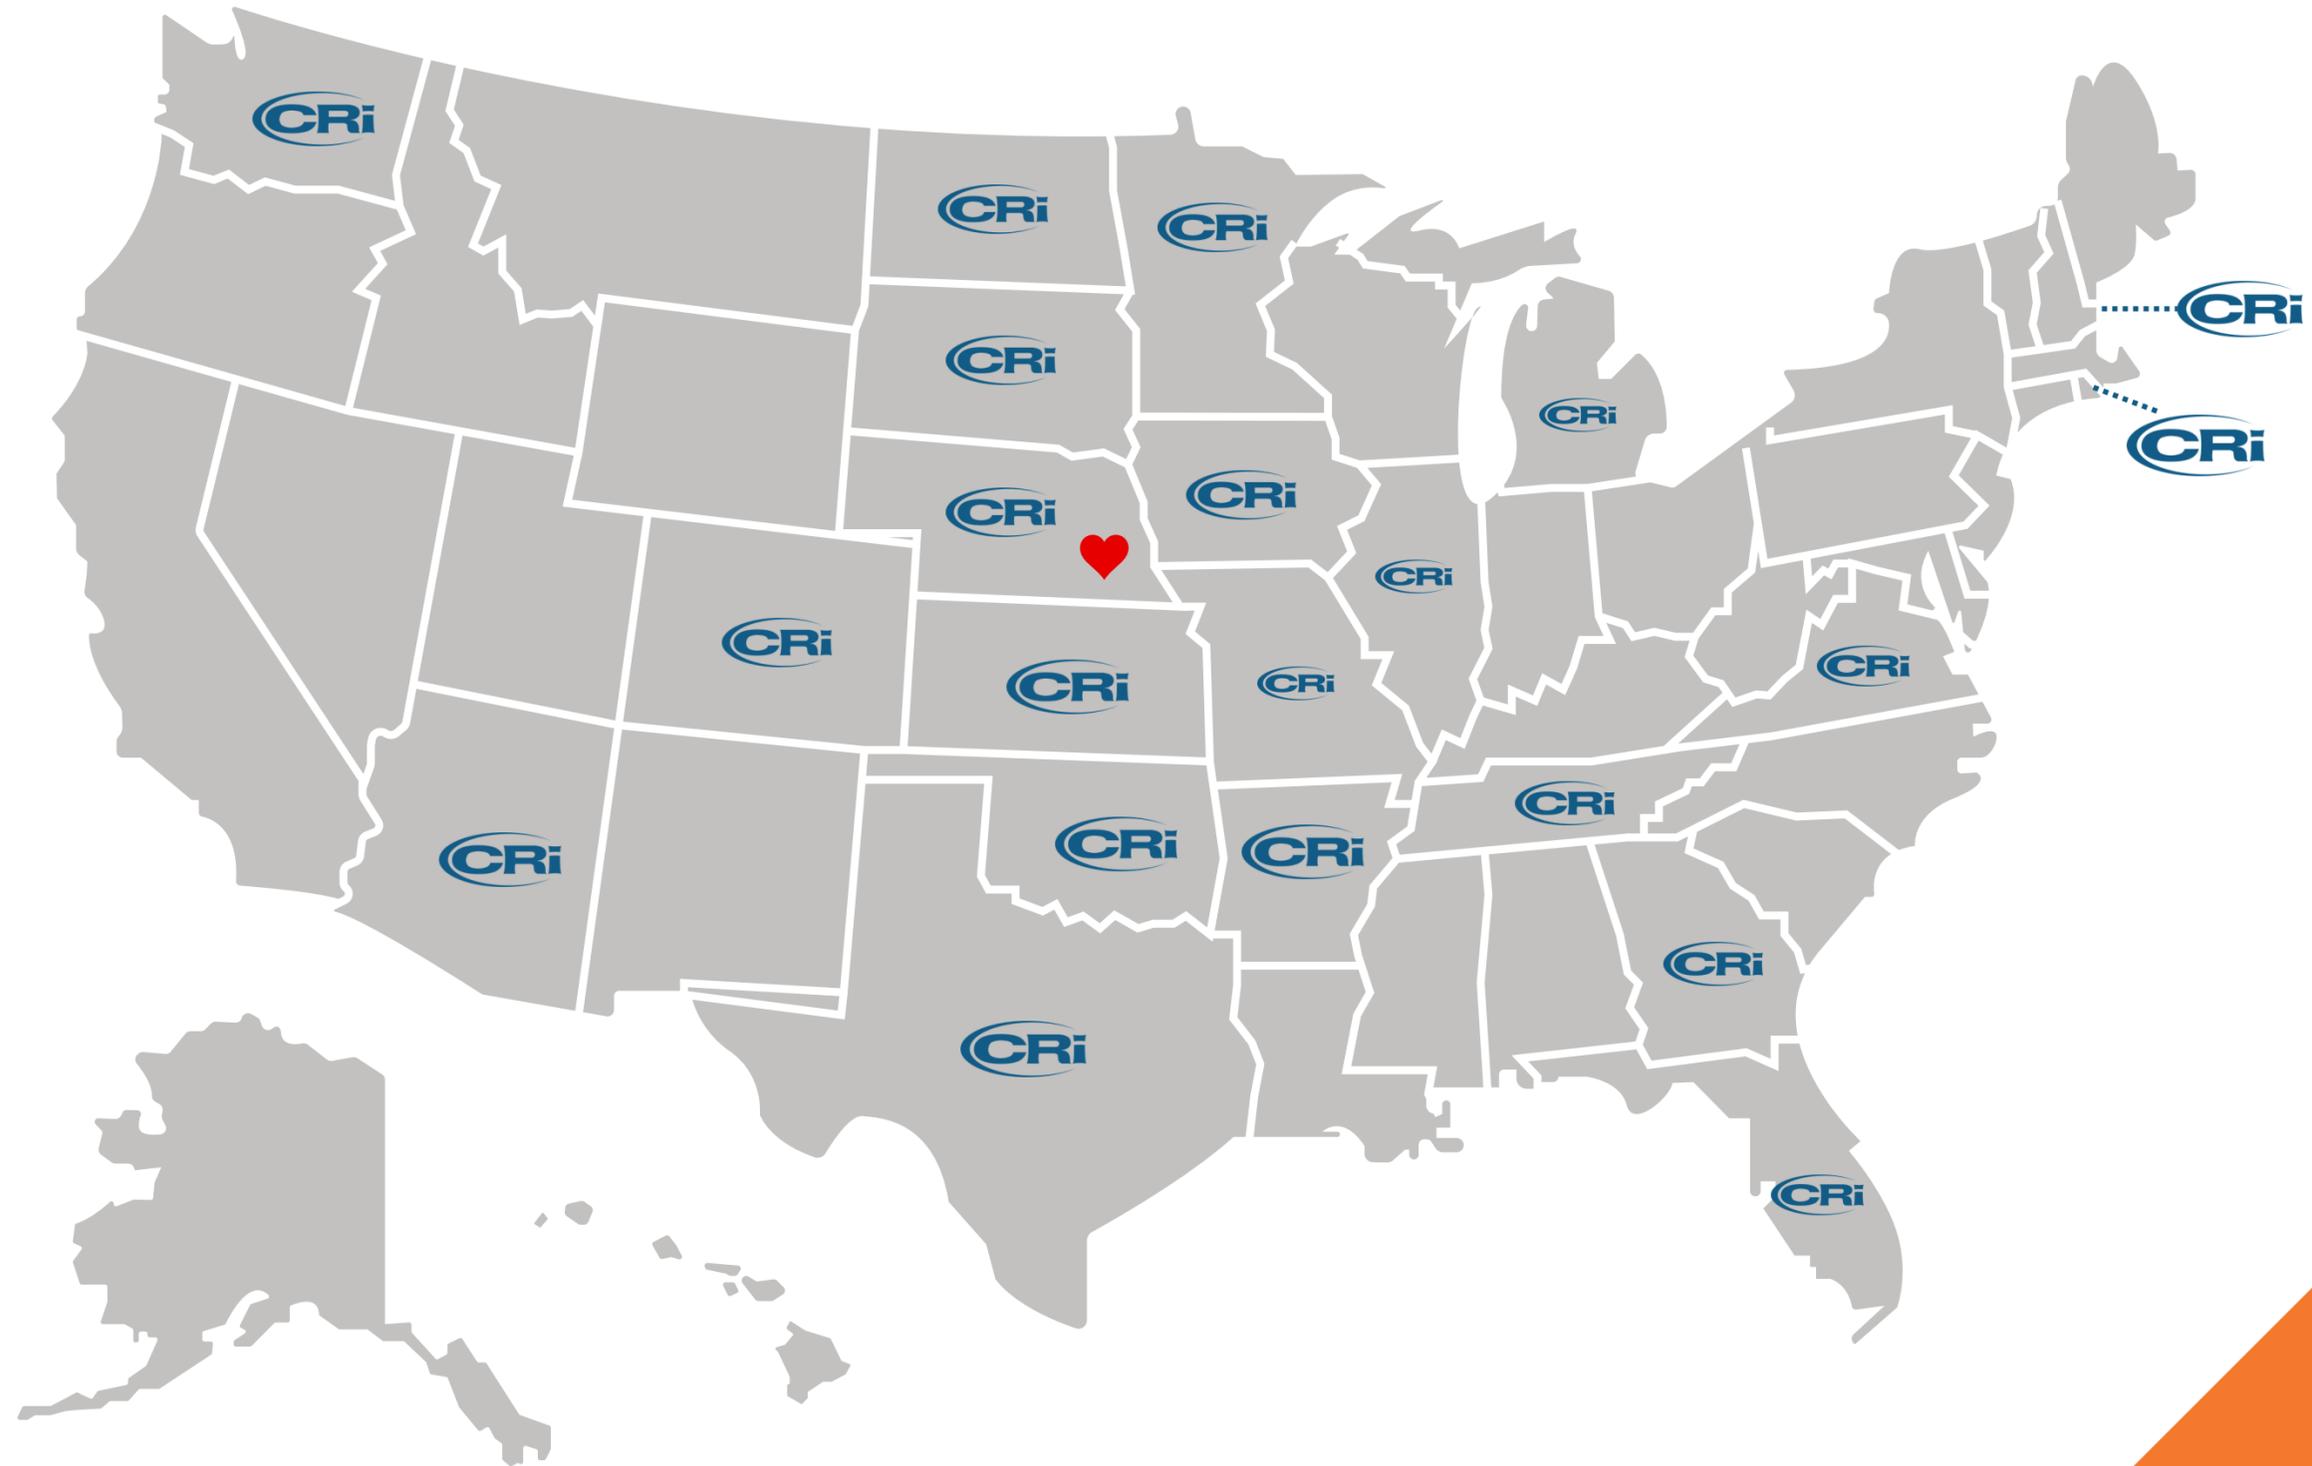

Quarterly Reviews
Whether we are actively engaged or not, we stay up to date with our clients.

We have proudly served 180+ businesses nationally.

Our team is Getting IT Great across the country!

CANDIDATE EXPERIENCE

6 Step Process

We offer a specialized approach to finding and qualifying the right talent for our clients while creating a great candidate experience.

Regular Check-Ins

Once a consultant is placed in a new role, we check in on a monthly basis.

Our recruiting process begins and ends with trust.

“CRi was instrumental in helping me land my dream job. I saw the posting on LinkedIn and reached out, and my recruiter Liz Z. was quick to respond. The entire team is transparent throughout the recruiting and hiring process. CRi makes you feel like part of the team, no matter your role.”

CONSULTANT EXPERIENCE

6 Step Process

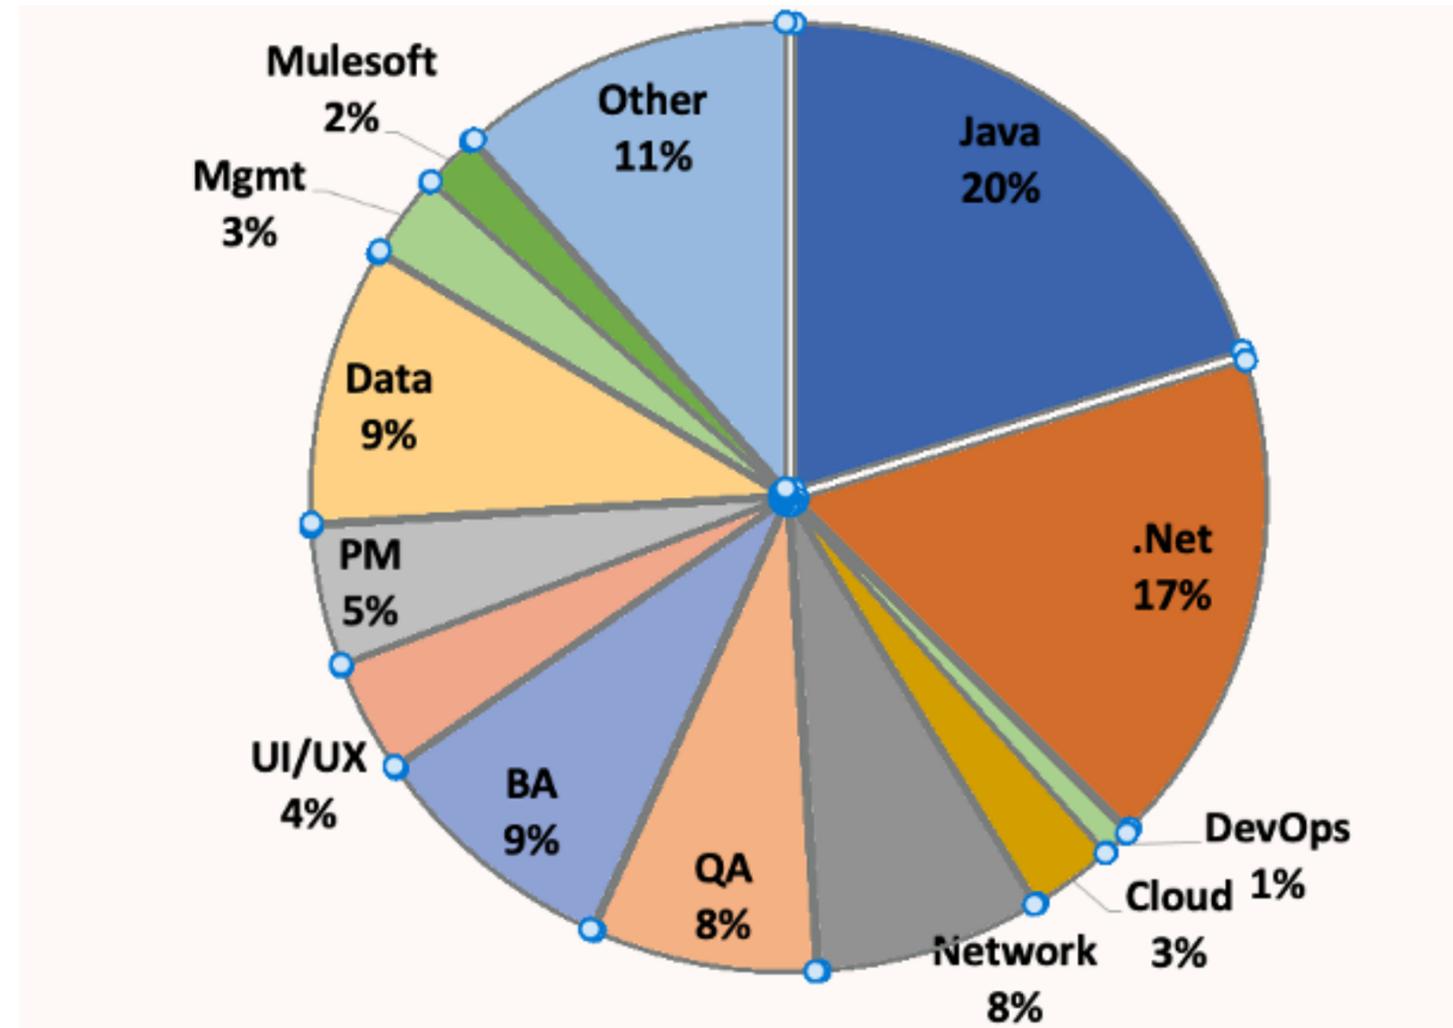

We are focused on building relationships that support and maximize the consultant's experience before, during and after their placements.

30 Days Out
Consultants are given access to new opportunities and 1:1 advising as projects come to a close.

Our consultant skillsets span all areas of IT.

We look like your IT department. Our talent pool possesses skillsets that span every aspect of the needs of the business.

35% of our talent comes through referrals!

We actively employ 100+ consultants, on average.

Audra Pace

CRI Consultant Experience Manager

Our dedicated consultant experience manager works 1:1 with each of our consultants to ensure that their journey is optimal and assists with future placements.

Many of our consultants have been part of the CRi team for over 20 years.

John C.
Sr. Consultant
with CRi since 2000

“The collaboration between consultants at CRi gives us an edge as our professional circles are often wider and regular transition to new business domains and opportunities is part of the experience.”

We offer a two-pronged service approach where...

Client = Consultant

As part of our commitment to service, we emphasize to our team that our relationship with the client is equally as important as our relationship with the consultant.

This is how we get IT great.

We support the organizations near and dear to those that are near and dear to the company.
